

E.R. Wait Times

You Can Now Cut Them Down Drastically, For A Price

Monday, May 16, 2011

Waiting hours at the emergency room could be a thing of the past, with a new system in place at 5 Palm Beach County hospitals. Patients at Tenet Healthcare owned hospitals will be able to pay a \$10 fee to pick their arrival time to the ER. The reservation is made online and you'll be guaranteed to see a nurse or a doctor within 15 minutes of that time or you'll get your money back. Tenet Healthcare owns Palm Beach Gardens Medical Center, St. Mary's and Good Sam in West Palm Beach, Delray Medical Center and West Boca Medical Center.
